INTRODUCTION

Tacoma Community College (TCC) was established in 1965, and is regionally accredited by the Northwest Commission on Colleges and Universities (NWCCU). TCC is a 2-year state college and has approximately 9,000 students with 300 international students from 30 different countries.

LOCATION

TCC is located in the beautiful Pacific Northwest in Tacoma, Washington about 30 minutes away from Seattle and 20 minutes away from the Sea-Tac International Airport. With a major bus transit center right on campus, getting around is very easy and convenient.

EXCEPTIONAL ENVIRONMENT

In 2009 Forbes Magazine ranked Tacoma as the 4th safest city in America. Safety and a strong economy (Amazon, Boeing, Expedia, Microsoft, and Starbucks are all located in the area), make TCC an excellent environment to study in.

TCC is #1 Community College in Washington State and #17 in the national among “America’s 50 best Community Colleges”
