“We have found that the Contexo Books are the best choice for us not only price-wise but mainly because of the illustrations, descriptions and the layout of the books. The Contexo ICD-9 books have full color illustrations in anatomy and help our students when they are trying to identify certain parts of the anatomy and the medical terminology that goes along with it.”

— ROSE B. MOORE, CPC-I,CPMA,CEMC,CCP, SENIOR PHYSICIAN PRACTICE ADVOCATE, MEDICAL SOCIETY OF VIRGINIA

Contexo Media is the Best Value in Coding Education

How do we do it?

**Experience**
We’ve trained over 160,000 students nationwide in the last 20 years. Thousands of instructors choose Contexo Media products for their curriculum.

**Quality**
We deliver products with features students really love, like hundreds of illustrations, plain English descriptions, and helpful tables to make learning easier and retention stronger.

**Pricing**
Our CPT®, ICD-9-CM and HCPCS Level II books are affordable for your students. Plus, we have a wealth of other books, eLearning programs and software that can provide them with an extra edge.

**Service**
Our dedicated education specialists are knowledgeable about this unique market and available to help you every step of the way.
The books your students use with a price you’ll love

2012 ICD-9-CM Volumes 1 & 2 Expert for Physicians

This incredibly useful resource helps students find the right code quickly, helping students to learn how to code more accurately and efficiently. Hundreds of illustrations, color-coding, integrated CMS coding guidelines, age and sex edits, Coding Clinic references and coding tips make this the best ICD-9-CM resource available. Includes all 2012 new and revised codes with a summary of all code changes plus official ICD-9-CM Appendixes. AAPC-approved to take with the CPC® Exam. Spiral-bound.

ISBN: 978-1-58383-732-0
RETAIL PRICE: $107.95 | EDUCATION RATE: $75.57

2012 ICD-9-CM Volumes 1, 2 & 3 Expert for Hospitals and Payers

Improve coding accuracy and efficiency with intuitive color coding and symbols that alert students to crucial and reimbursement issues that will be crucial in their careers. Over 400 code-specific illustrations, color-coding, integrated CMS coding guidelines, age and sex edits, Coding Clinic references and coding tips make this the best ICD-9-CM resource available for hospitals and payers. AAPC-approved to take with the CPC® Exam. Spiral-bound.

ISBN: 978-1-58383-733-7
RETAIL PRICE: $109.95 | EDUCATION RATE: $76.97

2012 HCPCS Level II Expert

Added in 2012: More definitions and brand names to assist in clarifying documentation in the medical record! Arm your students with a complete guide to Medicare’s drugs, medical supplies and DME. Features include illustrations throughout, Medicare Pub. 100 references, Table of Drugs Appendix, age and sex edit icons, APC and ASC edits, references to AHA Coding Clinic for HCPCS. It also includes full tabular and alphabetical code lists of all valid 2012 HCPCS Level II codes and modifiers to provide multiple ways to find a drug, device or supply quickly. AAPC-approved to take with the CPC® Exam. Spiral-bound.

ISBN: 978-1-58383-734-4
RETAIL PRICE: $107.95 | EDUCATION RATE: $75.57

CPT® 2012 Professional Edition

Correctly interpreting and reporting medical procedures and services begins with this resource. Straight from the American Medical Association (AMA), this is the only CPT® codebook with the official coding rules and guidelines developed by the CPT Editorial Panel. This resource includes E/M reference tables, coding tips, anatomical and procedural illustrations, clinical examples and more. Spiral-bound.

ISBN: 978-1-60359-568-1
RETAIL PRICE: $107.95 | EDUCATION RATE: $82.46

CPT® 2012 Standard Edition

This is the only CPT® codebook with the official coding rules and guidelines developed by the Editorial Panel. This resource includes anatomical illustrations, a summary of additions, deletions and revisions, clinical examples for E/M service codes and an extensive index.

ISBN: 978-1-60359-567-4
RETAIL PRICE: $84.95 | EDUCATION RATE: $63.71

The books your students use with a price you’ll love

**2011 Advanced Anatomy and Physiology for ICD-10**

Students right now have to learn ICD-9 coding with ICD-10 training in mind – everyone is trying to get ahead of this new complex set of codes. Start your student’s education off right with this book that takes you through all body systems that ICD-10 uses and gives specific details on how ICD-10-CM and PCS is used to identify the appropriate diagnosis/condition. Have your students take the quizzes at the end of each section to test their knowledge of ICD-10! Softbound.

ISBN: 978-1-58383-728-3
RETAIL PRICE: $149.95 | EDUCATION RATE: $104.97

**Anatomy & Terminology for Coders**

Knowledge of anatomy is essential to coding in any medical setting. *Anatomy & Terminology for Coders* is a straight-forward guide to all body systems. Structured reference chapters explain each body system in detail. Practice quizzes for every chapter, full-color illustrations, detailed lists of root words, prefixes and abbreviations, plus definitions of common medical terms make this a great addition to an instructor’s arsenal. Softbound. Also available on CD for computer labs; ask for details.

ISBN: 978-1-58383-678-1
RETAIL PRICE: $74.95 | EDUCATION RATE: $52.47

**Plain English Descriptions for Procedures**

This resource will help bridge the gap between practitioner notes and the language of CPT®. Completely updated, the 2012 version of this book will help students master the components and details behind CPT® codes, improve understanding of clinical meanings behind codes and more. Softbound.

ISBN: 978-1-58383-714-6
RETAIL PRICE: $107.95 | EDUCATION RATE: $75.57

**Plain English Descriptions for ICD-9-CM and ICD-10-CM**

This book is a must for students because each code is defined by the actual description and the plain English description! Added in the 2012 version are even more ICD-10-CM mappings so that students can see how the ICD-9-CM codes map to ICD-10-CM codes. This resource helps to bridge the gap between practitioner notes and the official ICD-9-CM code description and CMS guidelines. Softbound.

ISBN: 978-1-58383-718-4
RETAIL PRICE: $107.95 | EDUCATION RATE: $75.57

ICD-10-CM, 2011 Draft
We’ve taken the confusing internet version of these codes and presented the way you’re going to see them in practice. In addition to the entire code set, conventions and official guidelines, new features include color coding, medical term definitions, full-page anatomy illustrations and more! Spiralbound.
ISBN: 978-158383-729-0
RETAL PRICE: $104.95 | EDUCATION RATE: $83.96

“User friendly’ is the phrase that best describes the Contexo ICD-9 and HCPCS books. I have worked in the academic and corporate coding arenas and the books are by far the best I have utilized. Had they been available to me while instructing coding classes, the students would have been dramatically assisted in comprehending ‘correct ICD-9 coding’!”
— D. Kober, BS, CPC, CPC-P, PCS Director of QA/RAPS, Tampa, FL

Code it Right online

INTRODUCING CodeitRightOnline Curriculum – a NEW web-based tool designed specifically for coding schools

The future starts with education and this new application will give students the competitive edge with the knowledge of online coding. Go beyond learning with just coding books! Using the same user-friendly online medical coding and billing application available in the market today through CodeitRightOnline, CodeitRightOnline Curriculum presents all of the essential coding information that students need. Available in both facility and non-facility-specific applications, CodeitRightOnline Curriculum is offered to students and faculty for 8 weeks.

CodeitRightOnline Curriculum includes:

• ICD-9-CM and ICD-10-CM diagnosis codes
• CPT® procedure codes
• HCPCS Level II supplies and DME codes
• ICD-10-PCS procedure codes
• Cross-A-Code – ICD to CPT®, CPT® to ICD and ICD-9 to ICD-10
• Click-A-Dex™ - Technology that allows you to search through the indices quickly and go to any code instantly
• Build-A-Code™ - Understand how ICD-10 codes are constructed
• Personal and office notes for each code
• And more!

To learn more about the two available versions and for pricing information, please call us at 1-800-334-5724.
