

TACOMA Community College

International Student Services & Programs Quarterly Newsletter

New Website - You may have noticed a new look and feel to TCC's website. We've been working hard over the summer to improve our website and make important information easier to find. To access our new website, simply click here:

<http://www.tacomacc.edu/internationalstudents/>

Important dates for Winter Quarter

Application deadline
November 15th

Arrival dates
December 26 & 27

Orientation week
December 28 – 30

Classes begin
January 3rd 2012

The screenshot shows the TCC website's International Students page. It features a navigation menu with links like 'Areas of Study', 'Getting Started', 'Costs & Aid', 'Campus Life', 'Resources & Services', 'About TCC', 'Continuing Education', and 'Corporate Education'. The main content area includes a 'Reach high!' banner with a quote about TCC's ranking, a 'Contact Us' section with address and phone information, and a 'Learn More' section for the quarterly newsletter. A testimonial from an international student is also visible.

TCC is the #1 Community College in Washington State

New international student video to be launched soon!

Short-term language and culture programs

Every summer students from different parts of the world come to TCC to learn English and have some summer fun. This summer students from China and Korea participated in these programs. We offer programs from 2 weeks to 6 months any time of year. Interested in a short-term program? Contact Annemarie Martin for more information.

College success class (HD-101)

TCC is committed to helping new international students learn what it takes to be successful in the United States. This new class will help students learn:

- Good study skills & habits
- Time & stress management
- Making the most of campus resources
- Transferring to a 4-yr university
- And much more!

TCC Student Profile – Sidd Saini, India

“TCC is the ideal place for me to prepare for my future at a 4-year university. One of the important facts I like about TCC is its diversity and strong commitment toward its international student population. The orientation at the beginning of each quarter helps you to learn all about TCC, the US education system, insurance, banking, and so on. If you are having difficulty in some of your classes, there is the Tutoring & Resource Center that offers help in all your classes. If you are wondering which university you should transfer, the advisors will help you with that as well as your degree planning.”

*Sidd Saina graduated from TCC in Spring 2011
with an Associates of Science degree*
