How to view your Grades on Angel

1. Log onto the TCC Student Portal using your username and password
2. Click on the Angel button in the Quick Links.
3. If this is the first time you have logged in you may be asked to change your password. The original password is the first 5 letters of your last name. You may choose a new password but I suggest that it be the same as your password for the portal.
4. Click on your course, it will appear on the left hand side.
5. Click on the Refresh link and then your current grade should appear on the opening page. If you want more details, click on the Report Tab.
6. Select Grades from the Category Drop Down List.

7. Then Click Run.

8. To Log Off, Click here.
