We are here for you: 
The Student Learning Centers

Welcome to the Student Learning Centers!

We provide a coordinated range of academic support services featuring individual and group instruction, and computer-based learning.

The Student Learning Centers, in support of the college mission, help students become successful learners by providing individualized and collaborative academic support through:

- Peer tutoring
- Technology assisted learning
- Collaborative learning
- Workshops and courses to improve study skills and learning strategies
- Skills assessment
- Instructional resources and materials
- Computing resources

Additional Student Support Services:
Advising, Counseling, & Career Center—566.6081
Access Services—566.5033
Financial Aid—566.5080
Registration and Records—566.5037
Student Life and Activities—566.5118
Safety and Security—566.5111
Student Services Administration—566.5115

TCC’s Mission:

Tacoma Community College shall provide quality educational programs in a dynamic learning environment. The college shall be accessible, comprehensive and flexible, and shall address the personal, professional and social needs of its diverse community.

Learning

We are all lifelong learners. We progress and acquire skills, knowledge and understanding in an invigorating and technologically advanced learning environment. Together we engage in inquiry, construct meaning, and develop connections that improve individual lives and promote social progress. TCC is a learning college. We design and use creative, student-centered instructional methodologies, and we respond to emerging and evolving student and community needs.

I NEED HELP! WHERE DO I GO?
