CODE OF CONDUCT

The Code of Conduct for Titan Athletics is in addition to what is already in place by the NWAACC. This code is instituted to ensure that the expectations set are understood and constantly strived for. In addition to the guidelines set by the NWAACC the program will also include the following rules.

1. All practice, games and team activities must be attended unless given specific permission by the coach. The coaching staff will tell you whether or not you are excused. If you are hurt, sick or otherwise unable to participate, you are expected at all team functions. Regardless of reason, if a player is going to be late or miss a session, the staff must be notified! Failure to attend will result in one or more of the sanctions listed below.
2. Student athletes are expected to be in every class every day and passing those classes. Any report from an instructor or administrative member stating otherwise will result in one or more of the sanctions listed below.
3. Student athletes are expected to be models of appropriate behavior on and off the field. Any report or witnessing of inappropriate behavior will result in one or more of the sanctions listed below.
4. The NWAACC Code forbids use of tobacco products, alcohol or other drugs. Student athletes found in violation of that rule may be terminated from their program.
5. Player’s knowingly concealing information regarding another players usage of the above-mentioned substances during team activities will be held in violation of the team code and penalized accordingly.
6. Live by the Champions Manifesto and remember that your actions impact a team, a coaching staff, an athletic program/department, and a college!

Sanctions:

- Warning
- Suspension from practice session(s)
- Suspended from athletic contest(s)
- Suspended from team for part or all of the season
