Connecting with the Community
Dear Titan Booster,

As the new Athletic Director at TCC, I am eager to garner support for our sports programs, players and coaches in the community. To raise awareness, we have created a booster club that you can be a part of.

The mission of the Titan Booster Club is to enrich the relationship between those that participate in athletics and those that support athletics. We have made a commitment to developing our student athletes both on and off the playing field and your assistance is needed.

Your personal investment will allow us to reach our goal of enhancing scholarship opportunities for our student athletes.

Please help us build and maintain a high level of excellence that current, past and future Titans can be proud of. Our student athletes give their all during their time on our campus and they greatly appreciate your support.

Go Titans!

Carl Howell, Athletic Director

TCC ATHLETICS MISSION STATEMENT
Athletics will provide competitive opportunities for students to develop their academic and athletic skills, learn leadership, teamwork and discipline as part of the overall college learning experience. In addition, athletics will enrich the campus community through the recruitment of uniquely talented students and the fostering of positive public relations.
