

A Brief Guide to APA Style

The following are examples for citing resources (that you have quoted or paraphrased) in a list of **References**. The list is arranged alphabetically by the last name of the author. If there is no author, file the citation alphabetically by the title of the resource. **Note: Entries should be double-spaced – they are shown here single-spaced to save paper.**

BOOKS

Single Author	Peloso, J. (2004). <i>The two Koreas</i> . New York: H.W. Wilson Co.
Two to six Authors	Fine, G.A., & Turner, P. (2001). <i>Whispers on the color line: Rumor and race in America</i> . Berkeley, CA: University of California Press.
More than 6 Authors	Sproat, R., Reid K., Sullivan, S., Schub, S., Crawford, C., Goon, R., et al. (2003). <i>Librarians who hate citation</i> . Tacoma: False Press.
e-book	Davies, E.J. (2006). <i>United States in world history</i> . Abingdon: Taylor & Francis. Available from http://tcc.eblib.com/EBLWeb
Work in an Anthology (such as Contemporary Literary Criticism)	Roberts, S. (1984). A confined world: A rereading of Pauline Smith. In D. Poupard (Ed.) <i>Twentieth century literary criticism</i> (Vol. 25, pp. 399-402). Detroit: Gale.

SUBJECT ENCYCLOPEDIA ARTICLES

Signed Article from a Print Subject Encyclopedia	Feagin, J.R. (2002). African American Studies. In E.F. Borgatta (Ed.), <i>Encyclopedia of sociology</i> (Vol. 2, pp. 53-59). New York: Macmillan Reference USA.
