Each Associate Degree includes basic English and math requirements, which are identified with the degree descriptions. All transfer degrees also include Humanities, Social Sciences, Natural Sciences and Multicultural Distribution Requirements. Courses that satisfy Distribution Requirements for these degrees are identified below. General Distribution courses can also be used to meet some degree requirements.

This list applies to TCC's Associate of Arts and Associate of Science degrees.

(P/S) = Performance/Skills courses use a mix of lecture, guided activities, and individual projects as teaching and learning methods. These courses often include creative projects and performances. These courses typically include: studio art, music ensembles and creative writing courses.

Upper divisional courses (300-400) have additional entry requirements and are primarily for students in Bachelor of Applied Science (BAS) programs.
