# Welcome to TCC!

TCC gets students on the right path to a new career or degree

Students who enroll at the college enjoy intimate class sizes, diverse classmates and highly qualified professors. Of TCC's 136 full-time faculty, 79 hold master's degrees and 40 hold doctorates.

TCC students interact with students from local and international backgrounds, and have opportunities to participate in a variety of sports, clubs and activities. The college also offers strong student support services to help ensure student success.

## Mission

TCC creates meaningful and relevant learning, inspires greater equity, and celebrates success in our lives and our communities.

## Vision

Tacoma Community College is recognized as a spirited leader in emphasizing and documenting student learning. We are known for our commitment to innovation and excellence, our inclusive internal and external community, and our technology integration. We achieve this through the collective dedication and recognition of our college family and the generous support of our community.

## Strategic Plan Core Themes

- Create Learning
- Achieve Equity
- Engage Community
- Embrace Discovery

## Values

The college promotes student success by embracing core values of:

- Integrity
- Leadership
- Trust
- Excellence
- Innovation
- Access
- Responsibility
- Diversity
- Mutual Respect
- Collegiality

## Educational Options

Since 1965, we've supported more than 500,000 students in discovering their passion and preparing for fulfilling careers. Students can pursue degrees or receive career training for affordable tuition at convenient locations during the day, evenings, weekends or online. Students can choose:

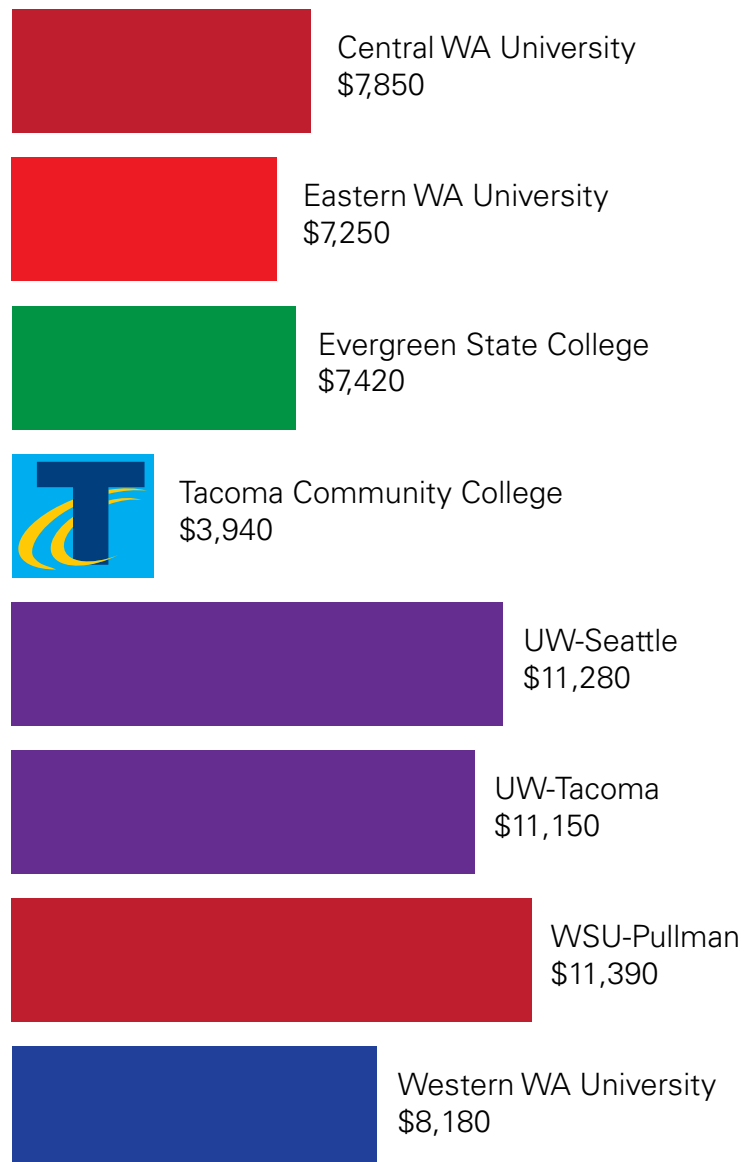

- **College Transfer** (page 43)  
TCC offers several Associate degrees to help you prepare for your bachelor's degree. Each degree is directly transferable to most four-year colleges and institutions in Washington state.
- **Career Training** (page 91)  
TCC's certificate and degree programs provide training for high demand careers in business, health and professional services.
- **Transitional Studies** (page 124)  
Students in these programs can improve their basic reading, writing and math skills; earn a high school diploma or IBEST job-ready certificate; or study English for Academic Purposes (EAP).
- **Continuing Education** (page 137)  
TCC provides classes to meet individual needs for improved job skills, employment certification, or personal enrichment.

## TCC is a Smart Investment

While the cost of attending four-year colleges and universities is beyond the reach of many students, tuition at Tacoma Community College remains affordable, and TCC academic credits will transfer to most four-year colleges and universities.

TCC offers a variety of financial aid packages to help students reach their educational goals. In 2016-2017, the average TCC award – including grants, loans, work study employment and scholarships – was \$6,042. Students received \$1.8 million in scholarships.

TCC's Financial Aid office offers limited work study jobs to eligible students. Work study positions are posted on the TCC portal. The TCC Career Center posts new jobs each month and offers job search services to students.

## Student Life/Programs

The TCC student experience continues outside of the classroom. The Office of Student Engagement (OSE) empowers students to learn and succeed through relevant and comprehensive leadership development training, multicultural programming, student government, as well as student-led clubs and organizations. Each student has the opportunity to contribute to an involved and equitable campus culture.

OSE offers a variety of ways for students to become involved on campus including:

- Student Government/Student Senate
- Clubs and organizations
- Production events and activities
- Artist & Lecture series
- Student Ambassadors
- Paid student leadership positions
- Identity, Culture and Community leadership training
- The Collaboratory: a multi-use student space for critical dialogue and action
- Intramural sports

## Meet our Students

The diverse student body is one of Tacoma Community College's greatest strengths. Students of color comprise 41 percent of all TCC students.

TCC also hosts nearly 400 international students each quarter, whose global perspectives enhance the TCC experience.

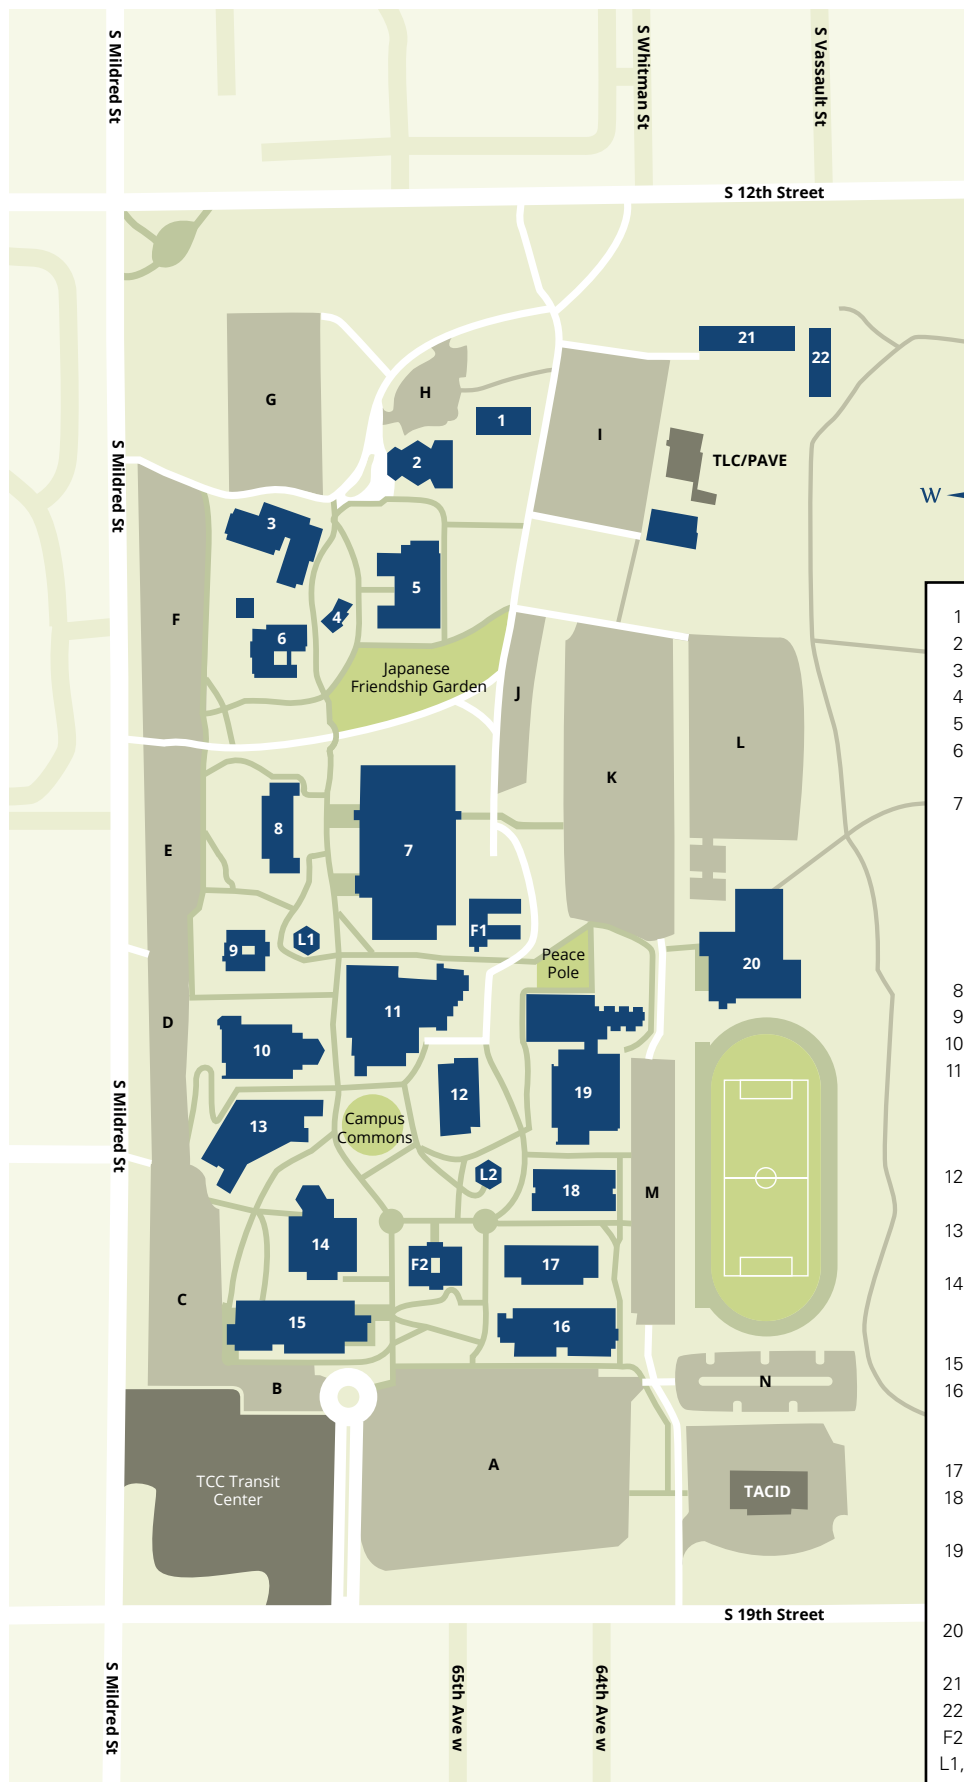

Whether teenagers or members of the over-50 population, students are likely to find classmates like them in their TCC courses.

# The College Campuses

Tacoma Community College is a comprehensive state-supported institution serving more than 720,000 residents of the Tacoma-Pierce County area. The college's service district includes all of Tacoma and the Pierce County portion of the Olympic Peninsula and serves the Tacoma and Peninsula School Districts. TCC is one of 34 community and technical colleges in a statewide system.

## Tacoma Campus

**6501 South 19th Street, Tacoma 253.566.5000**

Located on a 150-acre site in west Tacoma, the Tacoma Campus houses 31 buildings including a computer center, learning resource center, art gallery, gymnasium, student center, children's center, auditorium and bookstore. The Tacoma-Pierce County area, located on Puget Sound between the Cascade and Olympic mountain ranges, offers residents and visitors a wealth of cultural and recreational opportunities. The city of Seattle is located 35 miles north of Tacoma.

## Gig Harbor Campus

**3993 Hunt Street, Gig Harbor 253.460.2424**

Located in a 13,000-square-foot facility, the Gig Harbor Campus provides educational services to residents and organizations in Gig Harbor and throughout the Peninsula. The Gig Harbor Campus also hosts community events throughout the year.

The Gig Harbor Campus offers courses for credit toward an associate degree, career training and Worker Retraining programs, adult basic skills, and personal interest classes. Classes are available at various days and times. Services available to Gig Harbor students include registration, assessment, advising, and career exploration. Students have internet access through campus labs, laptops for in-building checkout, and can use the online library to order materials from the Tacoma campus.

All classes required for the Associate of Arts transfer degree are offered at the Gig Harbor Campus. Students may fulfill requirements for other certificates and degrees by taking combinations of classes at the Gig Harbor Campus and online. In addition a variety of other classes are offered which fulfill prerequisites for other programs.

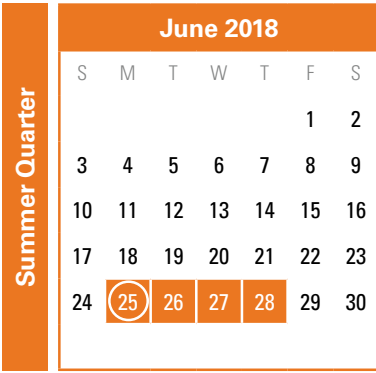

TCC's Gig Harbor Campus offers a variety of non-credit personal interest and job and career training classes. These range from art, fitness, and digital photography classes to gardening seminars and senior programs. Courses in computer basics and emerging technology are offered in computer labs, on laptops and mobile devices.
